## **InterGlobal offers international PMI plans in Pakistan**

International private medical insurer InterGlobal has partnered with leading Pakistan insurance company Alfalah Insurance Company to make its UltraCare range of international PMI plans available to individuals and companies throughout Pakistan.

The UltraCare range offers four plans, which provide cover ranging from in-patient medical treatment only, right through to a full refund for most in-and outpatient medical treatment. All UltraCare plans offer access to 24/7 security advice service provided in partnership with global security specialists [red24](#).
